

Technical drawing of a roof structure showing a cross-section with dimensions. The drawing includes a horizontal base, a vertical wall, and a sloped roof. Dimensions are given in millimeters (mm).

Dimensions:

- Wall height: 275 mm
- Roof slope (vertical): 150 mm
- Roof slope (horizontal): 425 mm
- Roof thickness: 20 mm
- Wall thickness: 155 mm
- Roof overhang: 270 mm
- Roof pitch (vertical): 40 mm
- Roof pitch (horizontal): 78 mm

This architectural floor plan shows a rectangular building with overall dimensions of 800 units by 1000 units. The plan includes a central hall (275 x 275) and several rooms of varying sizes. The dimensions are labeled in feet and inches, with some rooms having specific area calculations (e.g., 60' x 90' = 5400 sq. ft.). The plan also shows a large rectangular area (1000' x 1000') and a smaller rectangular area (275' x 275'). The building is oriented with the long side (800 units) running horizontally and the short side (1000 units) running vertically. The plan includes a detailed layout of the building's footprint, showing the placement of walls, doors, and windows. The dimensions are labeled in feet and inches, with some rooms having specific area calculations (e.g., 60' x 90' = 5400 sq. ft.). The plan also shows a large rectangular area (1000' x 1000') and a smaller rectangular area (275' x 275'). The building is oriented with the long side (800 units) running horizontally and the short side (1000 units) running vertically. The plan includes a detailed layout of the building's footprint, showing the placement of walls, doors, and windows.

Nordur.

Architectural drawing of a building elevation. The structure features a steeply pitched roof supported by a series of vertical posts. The facade includes two small square windows on the left, a central door, and a large rectangular section on the right. The drawing is labeled "Suður." at the bottom.
