

Architectural elevation drawing of a building facade. The facade is divided into four sections, each labeled with a code in a box at the bottom: MHL 02, MHL 01, MHL 01, and MHL 02. The first section (MHL 02) features a gabled roof and a window with a triangular pattern and the letters 'BO'. The second section (MHL 01) has a gabled roof and two windows, one with a triangular pattern and 'BO'. The third section (MHL 01) has a gabled roof and a door with a transom window. The fourth section (MHL 02) has a gabled roof and a large window with a triangular pattern and 'BO'. The drawing uses simple lines and shading to represent the building's structure and features.
